

2008 Northeast Energy Efficiency Summit  
**CLEAN, LEAN AND GREEN GROWTH**

To: Undergraduate and Graduate Students in the Northeast region of the USA interested in energy, energy efficiency, energy efficiency as a resource for economic stability and business development, the Environment, Business, Public Policy, Facilities Management and Engineering

Re: **Application to attend the 2008 Northeast Energy Efficiency Summit as a Student Scholarship Award Recipient**

Dear Undergraduate and Graduate Students interested in attending the Northeast Energy Efficiency Summit and Business Leaders' Recognition Dinner as a Student Scholarship Award Recipient:

Thanks to the generous support from NSTAR Electric and Gas, Northeast Energy Efficiency Partnerships (NEEP) is once again offering student scholarships to our upcoming energy efficiency summit. Each scholarship includes complementary admission to the entire day's event including breakfast with the keynote speaker, the summit speaker program, special student speaker panel and the business leaders reception and dinner program. All we require of the student is a commitment to attend the entire day. Our goal in offering this program is to link students interested in energy efficiency with industry professionals as resources for information and employment. Industry professionals remind us often of the value they have in connecting with knowledgeable students and feel the need to foster newcomers into the industry. So, this is it! If you are interested in receiving one of the ten available scholarships, please complete the application below.

### **Application Instructions**

Please send the following application information, your resume, and a 500 word (max) explanation of your reasons for wanting to attend the summit to [bvasecka@neep.org](mailto:bvasecka@neep.org) by March 7, 2008.

### **Scholarship Criteria**

## Student Scholarship Application for the 2008 Northeast Energy Efficiency Summit

Scholarship recipients will be chosen on the relevance of their career plans, interest in the industry and commitment to attend the entire day's schedule of events. This opportunity is open to all students, both undergraduate and graduate.

### **Notification Processes**

You will be notified via email shortly after the application deadline of your acceptance. If accepted, you will be contacted to confirm your interest in attending the day's events or the day & evening events and given registration instructions.

### **The Application**

By completing and returning this application, you agree to attend the event from opening presentation at 8am on May 22, 2008 at the Hartford Marriott Downtown Hotel in Hartford, Connecticut through the ending of the Business Leaders in Energy Efficiency Recognition Dinner Program. If granted a student scholarship, you will not be charged to attend the event. You will be required to pay your travel expenses.

*Click on the box to show a checkmark if you agree to attend the full day.*

Should you be granted a scholarship and choose to cancel after May 1, 2008, you will be charged a \$100 processing fee to cover your expenses.

*Click on the box to indicate your understanding that you will be required to cover \$100 of your expenses should you decide to cancel your attendance after May 1, 2008.*

### **A. Complete the following by typing in the boxes:**

NAME

ADDRESS

PHONE NUMBER

EMAIL ADDRESS

NAME OF SCHOOL YOU ATTEND

PROGRAM or AREA OF STUDY

DEGREE YOU ARE SEEKING (scholarships are open to all undergraduate and graduate students.)

**B. Please write an explanation of your reasons for wanting to attend Northeast Energy Efficiency Partnership (NEEP's) 2008 Energy Efficiency Summit. In this explanation, you should describe how the event relates to your professional or personal interests. Please limit your submission to 500 words.**

### **C. Please include a copy of your resume with this submission.**

Student Scholarship Application for the 2008 Northeast Energy Efficiency Summit
